**Subject: Invitation to the September co-located meetings of the GEO Architecture and Data, Capacity Building, Science and Technology, User Interface and C4 committee meetings in Melbourne, Australia**

Dear Colleague,

On behalf of the Australian GEO Principal, it is our pleasure to invite you to participate in co-located meetings of the GEO Architecture and Data, Capacity Building, Science and Technology, User Interface and C4 committees. The meetings will take place in Melbourne, Australia during the week of 14<sup>th</sup> to 18<sup>th</sup> September 2009. Friday 18 September is likely to be used for a C4 meeting. The opening joint meeting will be held in the Australian Government Bureau of Meteorology Head Office at 700 Collins Street, Melbourne.

Agendas for each committee meeting and joint sessions of committees as well as general information regarding travel to Australia, including procedures and processes for making visa applications, the locations of conference facilities, and hotel information are being prepared. These will be made available via email and the GEO website as soon as possible.

For early information regarding travel to Australia, including letters supporting visa applications, please contact Dr Ven Tsui ([V.Tsui@bom.gov.au](mailto:V.Tsui@bom.gov.au)). For further information regarding the respective committee meetings please contact the GEO Secretariat ([secretariat@geosec.org](mailto:secretariat@geosec.org)).

Yours sincerely,
